

We listened and we now have Yo!

Yo! provides access to events and services within Wolverhampton that offer opportunities to children, young people and their parents. These opportunities are split into two types – events and services.

There are a wide range of events taking place in Wolverhampton, from outdoor fun days to digital learning skills clubs, sport and wellbeing activities as well as opportunities for children and young people with special educational needs and disabilities.

Yo! Active is needed as children and young people in Wolverhampton are less active than the national average.

We recognise that by enabling children and young people to be active it contributes to giving them the best start in life and builds healthy foundations.
